

# Biotech 2011

Chemical Sensors Forum

## Bioprocess Analytics and Sensor Technology

1&2 September 2011, Wädenswil, Switzerland

### Program

1 September 2011

- Trends in inline analysis of pH and dissolved oxygen
- Sensors within the PAT framework

2 September 2011

- Sensors for disposable bioreactors

### Venue

Zurich University of Applied Sciences  
Grüntal Campus, Wädenswil, Switzerland
